DENTAL LABORATORY

A TRADITION OF EXCELLENCE

Olson is a full-service
dental lab proudly
supporting the dental
community since 1946.

We conduct business based
on our **CORE VALUES** ▼▼▼

QUALITY: High standards, consistency and quality control are always at the forefront.

SERVICE: We offer our dentists and patients personal, one-on-one support (including custom shades) in a very timely manner.

EXPERIENCE: Many of our talented and caring technicians have 20+ years of hands-on experience.

TECHNOLOGY: As trends and technology change, we adapt. We work to find the most advanced solutions for today and tomorrow.

PARTNERSHIPS: We take great pride in our long-standing partnerships with two of Michigan's finest dental schools.
